Married Couples Group

A Married Couples Group is a small group of married couples who meet regularly, usually monthly, in each other's homes to encourage and support one another as they share the joys and struggles of their call to the holy vocation of marriage, parenting and living within the domestic church. Each group is unique in their discussion topics, their types of meetings, and even the minor details of timing and location. Therefore, groups are built to best fit your stage of life. It's a great way to build community and bless your marriage at the same time. If you are interested, please fill out this form. Want to find out more or have questions – call or text Cecilia Wagner (979) 324-3933 or Kevin Wagner (979) 204-9101.
